TENOR

Studio at 542 Constitutional Bldg.  
34 So. Main :: Was. 5910-w

WILL remain permanently in Salt Lake City after ten years of work, including extended courses of study in Berlin and New York City, professional singing in opera and concert before the American public, and teaching in New York and Chicago. Mr. Reese teaches the Italian method of tone production and is paying particular attention to preparing students for opera and concert careers. In his professional experience Mr. Reese has gained information invaluable to pupils of singing.

Voices will be heard without charge  
by appointment
